|---|---|--|--|
| <p>Write some instructions for how to look after a pet. Can you include diagrams?</p>  | <p>Draw and label a picture of a building in your local area.</p>  | <p>Interview an adult in your local community. Ask them about what it has been like to grow up and live in their community. Think of other interesting question you could ask them about their life.</p>  | <p>Make 2D or 3D art based on the works of a famous artist. Can you recall some interesting facts about the artist?</p>  |
| <p>Research some interesting and fun facts about how different animal species survive in their habitats.</p>  | <p>Learn or make up a new song about different feelings.</p>  | <p>Find your favourite book. This could be a non-fiction or fiction book. Be ready to tell the class what it's about and why you like it.</p>  | <p>Draw and label a map of your route to school. And identify some of the features that you pass on the way.</p>  |
| <p>Find out about different kinds of jobs or work that people do in our local community. Are any of them affected by the weather? Do they have to work through the night?</p>  | <p>With the help of an adult, cook a sweet or savoury dish by following a recipe. Take pictures of your method and delicious creations!</p>  | <p>Go on an Autumn leaf hunt. Can you identify the trees by looking at the shape of the leaves?</p>  | <p>Set up an obstacle course or running track near your home? Make a chart and record the time it takes you to complete the course. Can you improve your time and record your results?</p>  |
