

Chestnut Class Spring Term 2025 Challenge Homework

Please find below details of Chestnut class challenges. Please note the homework covers the whole Spring term and is to be handed in by Friday 4th April. All children in KS2 must complete at least one piece of the challenge homework. Our History theme this term is: Ancient Islamic Civilisations and Geography topic is Climate. In Science this term we are covering Light and shadows and Plants. In RE our theme is Sikh and Why do Christians call the day Jesus died 'Good Friday' Have fun completing the challenges 😊

<p>Science - Shadows</p> <p>Before the invention of clocks, people used the Sun to help them tell the time. One way that people used the Sun to tell the time was by making sundials. Shadows created by a marker or pointer on a sundial can indicate the time of day.</p> 	<p>English - Book Review</p> <p>Write a book review. You should include a summary, your personal opinion, and a rating. Try to include images and enhance your presentations.</p> 	<p>Science -Plants</p> <p>Plant some seeds and nurture them until they turn into plants. Can you grow some flowers to put in our school garden?</p>
<p>History/ Art - Islamic Mosaics</p> <p>Research traditional Islamic mosaics and design your own mosaic patterns inspired by your research. Try to incorporate geometric shapes and vibrant colours.</p> 	<p>Art - Architecture - Build your dream house</p> <p>Create a detailed drawing or digital design of your dream house. You can use pencils, markers, or design software such as SketchUp. Think about the purpose of each room and the materials you would use.</p> 	<p>RE- Sikh</p> <p>Can you make a fact sheet about the Sikh religion and their beliefs and customs.</p> 
<p>Science - Create your own species</p> <p>Design a completely new species of animal or plant. Describe its habitat, adaptations, and how it would evolve over time. Create a poster or a model to present to the class.</p>	<p>Be Creative</p> <p>Choose your own! 😊</p> <p>Create your own challenge homework based on any topic we have covered or will be covering in school this term.</p> 	<p>Computing - PowerPoint Presentation</p> <p>Create a PowerPoint based on something you are learning about at school this term.</p> 
<p>RE -Holy Week</p> <p>Think about the events of Holy week and make a piece of art work like church windows to display them.</p> 	<p>English -Biography.</p> <p>Write a biography about a person of your choice.</p> 	<p>Art and Design - Build a model</p> <p>Using recycled materials, design and build a scale model of a famous building or landmark.</p>
