

Welcome

to Ingleton Church of England Primary School
Where everyone is valued, every day.

DND
Learning
Trust

Be Kind

Be Respectful

Be Safe

Be Your Best

A happy place to learn,
grow and shine together.

Together we learn,
together we grow,
together we achieve!

We are proud to be part of the DND Learning Trust, working together for every child.

Meet your Teacher

Mrs Togher

♥ I have been a teacher for 20 years.

♥ I have taught classes in Early Years, KS1 and KS2. I have taught in many schools around the area.

♥ I have taught at Ingleton Primary School for 2 years in Chestnut Class.

Organisation of School Day

School Day

Start time
8.55am

Lunch Time
12pm – 1pm

School ends
3:30pm

Wraparound Care

8.00am – 8.55am

3.30pm – 5.30pm
(Mon–Thur)

3.30pm – 4.30pm
(Friday)

Start and end of the day routines

Please help us ensure a calm and safe start and end to the day
by arriving and collecting at the correct times.

Thank you for your support! ♥

If your child is absent...

If your child is going to be absent from school, please let us know as soon as possible.

Phone the school

Call us on the school office number and leave a message.

Email the school

Send an email to the school office with the reason for the absence.

Provide details

Please include your child's name, class and the reason for absence.

For multiple days

Please let us know if the absence will be for more than one day.

Good attendance helps your child to learn, make friends and build a bright future.

Thank you for your support! ♥

Holidays / Leave of Absence

All holidays during term time must be requested using a **Leave of Absence Form**, available from the school office or on our website.

Requests will only be authorised in **exceptional circumstances**. If a holiday is taken without authorisation, this may result in a **Fixed Penalty Notice (fine)** being issued by the Local Authority.

Please ensure requests are submitted in advance wherever possible.

Autumn Term

2026

School starts –
2nd September

Teacher Training Days:

- ★ Monday 2nd November
- ★ Monday 4th January
- ★ Monday 22nd February
- ★ Monday 7th June

We wish all our pupils and families a **happy** and **successful** term!

School Dinner

Currently all Infant (Reception, Y1 & Y2) meals are free.

Over the next few slides you will see our **new menu for September.**

Parents are asked to choose from the four options what you would like for your child and enter it into the **Arbor App**. We would ask if this could be done in advance.

If you would like your child to have **packed lunch** instead, please just let us know.

**Healthy, tasty
and nutritious!**

Snack

We believe that healthy eating helps children to learn, grow and feel their best every day.

Healthy snack is available to all Pre-school and Reception children every day which includes things like yoghurts, breadsticks, crackers and cheese etc.

This is to be **paid half termly via Arbor app** at the start of every half term.
This is **optional**.

Free fruit will also be available daily.

Children also all receive a **glass of milk daily** as part of the CoolMilk Scheme.
If you wish to opt out, please let the office know.

Thank you for supporting healthy choices!

School Equipment

Plimsolls (indoor shoes)

PE kit – shorts & joggers, t-shirt, trainers, spare socks etc.

School bag & water bottle

Coat & wellies

School Uniform Policy –

Arbor

Connecting our school and families

We use Arbor, our online system, to help us work together and keep you connected to your child's school life.

What is Arbor?

Arbor

Arbor is our secure management information system and parent portal. It helps us to save time on admin, so we can spend more time supporting our children.

With Arbor you can:

- ✓ View your child's attendance 
- ✓ See and respond to messages 
- ✓ View your child's reports 
- ✓ Book parents' evening appointments 
- ✓ Give consent and make payments 
- ✓ Update your contact details 

How to use Arbor

- 1 Look out for your welcome email**
You will receive an email from Arbor with a link to set up your account.
- 2 Create your account**
Click the link in the email and follow the instructions.
- 3 Download the Arbor App**
Search 'Arbor' in your app store or use Arbor in your web browser.
- 4 Stay connected**
Turn on notifications to keep up to date with the latest information.

If you need any help using Arbor, please contact the school office.

Communication with Parents

We believe that working in partnership with parents and carers is key to your child's happiness, success and well-being.

School Newsletter

Our regular newsletter keeps you up to date with school news, events and important information.

Arbor

Quick and easy to use. Receive messages, letters and reminders straight to your phone. You can also view your child's information, bookings and payments all in one place.

Make an appointment

Please contact the school office if you would like to make an appointment to speak with your child's teacher.

Key dates during the year

September – Meet the Teacher / Parent Workshops – English / Maths

November parents meeting – how are they settling in?

End of Autumn report

Spring parents meeting

Summer report / drop in parents meeting

Events during the year

Tapestry App

For our Early Years families. See your child's learning journey, celebrate achievements and receive updates.

We are always here to listen and support you. Thank you for being such an important part of our school community.

Tapestry App

Keeping you connected to your child's learning journey.

Electronic journal system in use to observe children and their learning.

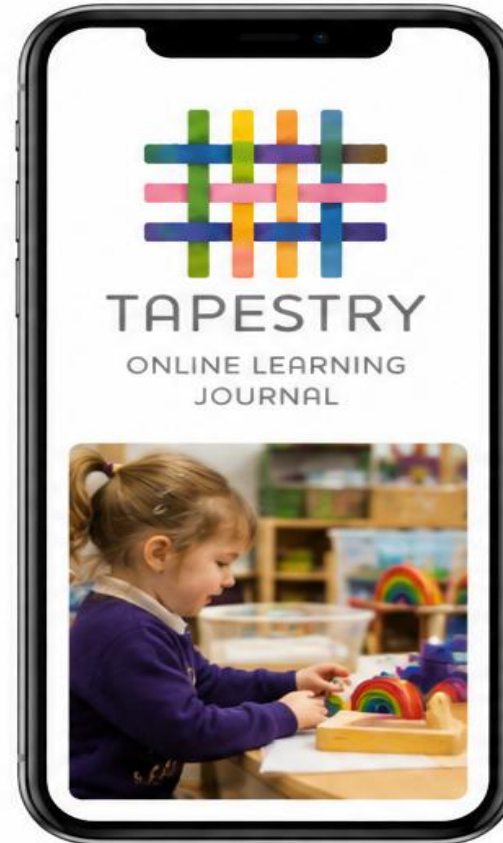

Parents can download the app and an email will be sent to you with login details.

Parents can comment on children's learning at School as well as share learning from home.

Please let us know your email address and any other parents/carers who would like to be on the Tapestry app.

Tapestry helps us celebrate your child's achievements and special moments, and you can be part of their learning every step of the way!

Our School

Here are the ways you can find out information about our school

School Website

School website

<https://www.ingletoncofeprimary.co.uk/>

- ✓ Policies
- ✓ Uniform
- ✓ School events
- ✓ Safeguarding procedures
- ✓ Information on school holidays

School Facebook Page

School Facebook page

<https://www.facebook.com/ingletoncofeprimaryschool>

Follow our page to see photos, celebrations, news and events from around our school.

Like and follow us to stay up to date!

Friends of the School

Friends of the School

Our wonderful PTA – supporting our school and our children.

- ✓ Meet once a term
- ✓ Help organise events and fundraisers
- ✓ New members are always welcome!

Everyone can make a difference!

School App (Arbor)

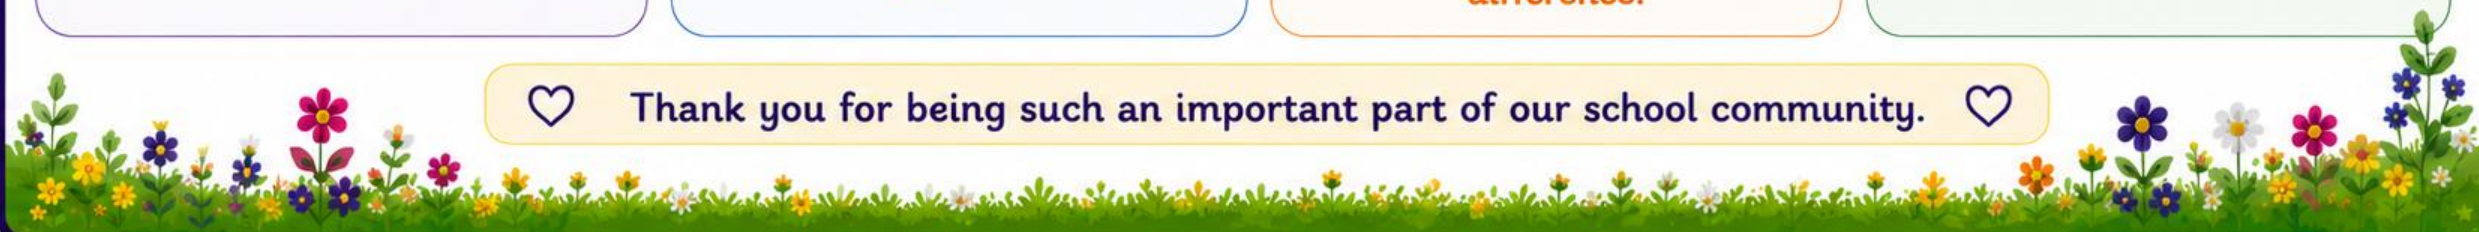

Our school app keeps you updated with important information and messages.

- ✓ News and updates
- ✓ Letters and reminders
- ✓ Events calendar
- ✓ Payments and more

Thank you for being such an important part of our school community.

Understanding the EYFS Framework

Every child,
every opportunity,
every day.

The Early Years Foundation Stage (EYFS) Framework sets the standards for **learning**, **development** and **care** for children from birth to five.

♥ Our Aim

To provide a safe, nurturing and inclusive environment where every child can thrive, make progress and develop a love of learning that lasts a lifetime.

★ The 3 Prime Areas

These areas are essential for children's development and support success in their future learning.

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development

The 4 Specific Areas

These areas help children to strengthen and apply the prime areas.

Literacy

Developing a love of stories, books and early reading and writing.

Mathematics

Exploring numbers, shapes, measures and patterns in meaningful ways.

Understanding the World

Making sense of the world, people, communities and the environment.

Expressive Arts and Design

Exploring creativity through art, music, dance, role play and imagination.

Characteristics of Effective Learning

We support children to be:

- Playing and exploring
- Active learners
- Creating and thinking critically

Learning Through Play

Play is at the heart of the EYFS. It is how children explore, think creatively, make connections and develop the skills they need for life.

At Ingleton CofE, we work in partnership with families to give every child the best start in life.

EYFS Assessment for Reception

Assessment in the Early Years Foundation Stage (EYFS) is all about getting to know your child, celebrating their achievements and supporting them to make progress.

What is assessed?

We assess your child across all areas of learning. These are split into:

Prime Areas

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development

Specific Areas

- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

Assessment is ongoing and happens through play, activities, conversations and everyday interactions.

How do we assess?

We use a range of ways to find out about your child's learning, including:

Observations

We observe your child in different situations, indoors and outdoors.

Learning Journey

We capture their learning in their Tapestry online learning journal.

Conversations

We talk with your child to understand their thinking and ideas.

Next Steps

We use what we know to plan exciting learning opportunities to help them grow.

End of Reception Assessment

At the end of Reception, we complete the EYFS Profile.

We assess your child against the Early Learning Goals (ELGs) to see how well they have progressed.

You will receive a short report summarising your child's achievement at the end of the Summer Term.

Every child is unique and we celebrate every step of their learning journey!

Reception Baseline

In the first 6 weeks of Reception, your child will complete the Reception Baseline Assessment (RBA).

This is a short, practical assessment of early literacy, mathematics, communication and language.

The RBA helps us understand how your child has started school and supports us to plan the right learning opportunities from the very beginning.

It is not a test and does not affect your child's progress.

Working together

We value your knowledge of your child. Please share information about their interests, achievements and experiences at home.

Together, we can help your child thrive!

If you have any questions about EYFS assessment, please speak to your child's teacher.

Phonics

We follow the Sounds-Write programme

Sounds-Write is a systematic and engaging phonics programme that helps children learn to read and write with confidence.

How it works

Learn

Children learn the sounds they need to read and write.

Decode

Children use their sounds to blend words to read.

Encode

Children learn to segment words to spell.

Practise

Through fun, active and engaging activities every day.

Progress

Step by step, children build skills and grow in confidence.

We make phonics exciting!

- ✓ Daily, short and focused lessons
- ✓ Multi-sensory activities to support learning
- ✓ Songs, actions and games to make learning memorable
- ✓ Reading and writing from the very start

How you can help at home

- ♥ Share stories every day
- ♥ Practise sounds and tricky words
- ♥ Encourage reading and writing in everyday life

Thank you for your support!

Our Phonics in Action!

Strong phonics foundations open the door to a lifelong love of reading and learning. Together, we can help every child succeed!

Reading

Every child,
every opportunity,
every day.

Children will be given **1 or 2 decodable readers** per week that match our phonics scheme, Sounds Write. These readers will match your child's current ability in phonics and the weekly sounds that they are learning in phonics lessons.

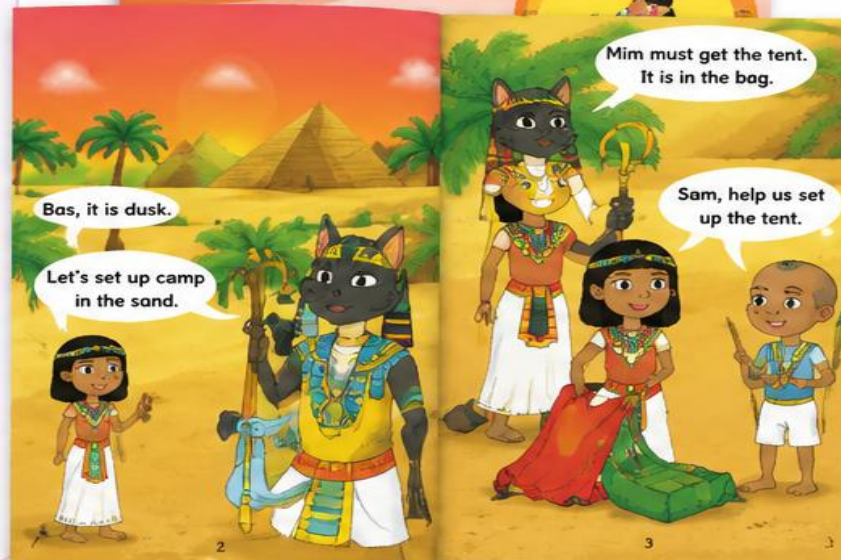

We ask that they **read and re-read** their decodable readers. Decodable readers are used when learning to read and only contain the phonetic code that the children have been exposed to.

This means that the children are able to read most of the words by applying their phonics. This success in reading builds **confidence** and helps instil a **love of reading**.

It also helps to consolidate the skills and sounds learnt from the Sounds Write phonics sessions and supports the development of good reading strategies. This in turn helps to build **reading fluency** and **understanding**.

Unit 1: a, i, m, s, t

Unit 2: n, o, p

Unit 3: b, c, g, h

Unit 4: d, f, v, e

Unit 5: k, l, r, u

Unit 6: j, w, z

Unit 7: x, y, ff, ll, ss

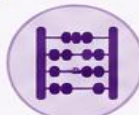

Thank you for your support in helping your child become a **confident, happy** reader!

Mathematics

We follow a **Maths Mastery** approach to Maths from Reception to Year 6 in order to ensure children have a deep understanding of number. We use **White Rose Maths** throughout school.

Number ELG

Children at the expected level of development will:

- Have a deep understanding of number to 10, including the composition of each number;
- Subitise (recognise quantities without counting) up to 5;
- Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.

Numerical Patterns ELG

Children at the expected level of development will:

- Verbally count beyond 20, recognising the pattern of the counting system;
- Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity;
- Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Maths helps children make **sense** of the world around them and builds **skills for life!**

Drawing Club

by Greg Bottrill

Inspiring every child to draw!

Drawing Club is our approach in Reception to teaching English.
It brings the magic of story into the classroom!

What is Drawing Club?

Our approach in Reception, created by Greg Bottrill, that brings the magic of story into the classroom.

How does it link to writing?

Children add a 'magic button' to their drawings and a secret code – this might be a sound, word, caption, sentence or number.

How do we teach it?

- New quality text each week
- Explore the story and learn 5 key words
- Draw, create and go on adventures!
- Build vocabulary, imagination and confidence

What about non-fiction texts?

Children explore quality information books linked to our topics and learn to write lists, captions and simple factual information.

Why have we chosen Drawing Club?

It's fun, exciting and meets the needs and interests of our children. It sparks imagination, builds confidence and helps our children become amazing storytellers and writers!

Our aim:

To inspire confident, creative communicators who love stories and are excited to share their ideas through drawing and writing.

Drawing Club in Action!

Thank you for supporting creativity and learning!

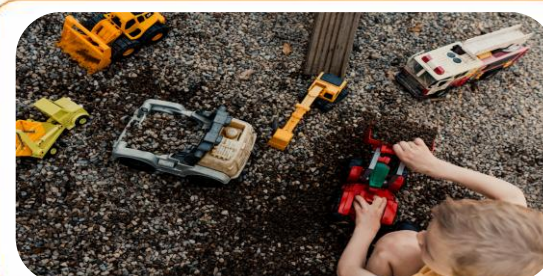

Child Initiated Learning Through Play

At Ingleton CofE School, we believe that children learn best when they are happy, engaged and having fun!

Through child initiated play, children explore their interests, make choices, solve problems, build relationships and develop confidence, independence and key skills for life.

Play is the foundation for lifelong learning and success.

Why it matters:

Builds confidence and self-esteem

Encourages creativity and imagination

Develops communication and social skills

Supports independence and decision making

Promotes wellbeing and a love of learning

When children lead their play, they lead their learning.

Friends of Ingleton School (FoIS)

The Friends of Ingleton School (FOIS) is a group of parents, staff and local people formed to help support the school by fundraising and social activities.

A **Christmas Fayre** is organised each year in November as the main activity and other events are held such as car boot sales and dances. Discos are also held for pupils in school to help raise funds.

Funds raised are being used to supplement **trips and visits** for pupils, pay towards the transport costs, with the development of the **school library**, purchase **Ipads** for pupils, buy each pupil a **book at Christmas** and with help such as buying **equipment**, pupil **prizes** and **refreshments**.

Meetings are held each term and **all parents/carers** are welcome to attend. Details of meetings are sent out by the FOIS well in advance.

If you would like to join or require further information please contact the school office or email foisdurham@gmail.com.

Many hands make light work!

Your support helps our school thrive.

Thank you!
