Mobile Phone Use Policy

2022-2025

Introduction and Aims

At Ingleton C of E Primary School, the welfare and well-being of our pupils is paramount. The aim of the Mobile Phone Policy is to allow users to benefit from modern communication technologies, whilst promoting safe and appropriate practice through establishing clear and robust acceptable mobile user guidelines. This is achieved through balancing protection against potential misuse with the recognition that mobile phones are effective communication tools. This policy refers to ALL mobile communication devices.

Scope

This policy applies to all individuals who have access to personal mobile phones on site. This includes staff, volunteers, committee members, children, young people, parents, carers, visitors and contractors. This list is not exhaustive. This policy should also be read in relation to the following documentation:

- Safeguarding Children Policy
- Anti-Bullying Policy
- Guidance on the Use of Photographic Images and Videos of Children in Schools
- Code of Conduct Policy.

Code of Conduct

Our aim is therefore that all practitioners:

- Have a clear understanding of what constitutes misuse.
- Know how to minimise risk.
- Avoid putting themselves into compromising situations which could be misinterpreted and lead to possible allegations.
- Understand the need for professional boundaries and clear guidance regarding acceptable use.
- Are responsible for self-moderation of their own behaviours.
- Are aware of the importance of reporting concerns promptly.

It is fully recognised that imposing rigid regulations on the actions of others can be counterproductive. An agreement of trust is therefore promoted regarding the carrying and use of mobile phones within the setting, which is agreed to by all users.

Personal Mobiles – Staff

Staff are not permitted to make/receive calls/texts during contact time with children. Emergency contact should be made via the school office.

- Staff should have their phones on silent or switched off and out of sight (e.g. in a drawer or cupboard) during class time.
- Mobile phones should not be used in a space where children are present (e.g. classroom, playground unless in an emergency situation where it is needed to call for help).
- Use of phones (including receiving/sending texts and emails) should be limited to non-contact time when **no** children are present e.g. in office areas and the staff room.
- It is also advised that staff security protect access to functions of their phone.
- Should there be exceptional circumstances (e.g. acutely sick relative), then staff should make the Head teacher aware of this and can have their phone in case of having to receive an emergency call.
- Staff are not at any time permitted to use recording equipment on their mobile phones, for example: to take recordings of children, or sharing images. Legitimate recordings and photographs should be captured using school equipment such as cameras and iPad.
- Staff should report any usage of mobile devices that causes them concern to the Head teacher.

Mobile Phones for work related purposes

We recognise that mobile phones provide a useful means of communication on offsite activities. However staff should ensure that:

- Mobile use on these occasions is appropriate and professional (and will never include taking photographs of children).
- Mobile phones should not be used to make contact with parents during school trips unless using the school mobile phone – all relevant communications should be made via the school office.
- Where parents are accompanying trips they are informed not to make contact with other parents (via calls, text, email or social networking) during the trip or use their phone to take photographs of children.

Personal Mobiles – Pupils

We recognise that mobile phones are part of everyday life for many children and that they can play an important role in helping pupils to feel safe and secure. However we also recognise that they can prove a distraction in school and can provide a means of bullying or intimidating others. Therefore:

- Pupils are not permitted to have mobile phones at school or on trips
- If in the rare event of a parent wishing for his/her child to bring a mobile phone to school to contact the parent after school:
 - the parent must discuss the issue first with their child's teacher.
 - the phone must be handed in, switched off, to the school office first thing in the morning and collected by the child at home time (the phone is left at the owner's own risk).
- Mobile phones brought to school without permission will be confiscated and returned at the end of the day.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips or while pupils are travelling to and from school.

Volunteers, Visitors, Governors and Contractors

All Volunteers, Visitors, Governors and Contractors are expected to follow our mobile phone policy as it relates to staff whilst on the premises. On arrival, such visitors will be informed of our expectations around the use of mobile phones.

Parents

While we would prefer parents not to use their mobile phones while at school, we recognise that this would be impossible to regulate and that many parents see their phones as essential means of communication at all times. We therefore ask that parents' usage of mobile phones, whilst on the school site is courteous and appropriate to the school environment.

We also allow parents to photograph or video school events such as shows or sports day using their mobile phones if there are no parental objections or safeguarding issues, – but **insist that parents do not publish images (e.g. on social networking sites) that include any children other than their own.**

Please refer to guidance on the Use of Photographic Images and Videos of children in Schools.

Dissemination

The mobile phone policy will be shared with staff and volunteers as part of their induction. It will also be available to parents via the school office and school website.
