

Autumn Term 2 2024

Oak Class

This half term, in Oak Class, we will be learning about ...

English

This term Oak class will be working on writing a non-fiction report based on our unit 'Mars Transmission' inspired by the film The Martian. We will then be moving onto writing range of text types around the theme of Christmas. During guided reading sessions, we will be reading and answering questions based on the book 'Skellig' by David Almond. Our end of day story is 'The Night Bus Hero'.

Maths

During maths lessons, children will cover the following units: Multiplication and Division and fractions. We also have a weekly arithmetic and problem-solving lesson, covering all previous learning. As part of our Maths lessons, we will complete 10 minute warm ups, covering all aspects of Maths.

Science

In Science we will be learning Space. The children will engage in lessons around the solar system and the Earth and the moon. They will learn to describe the planets relative to the Sun in the solar system and describe the movement of the moon relative to the Earth. They will also use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.

RE

Our RE question this term is 'Was Jesus the Messiah?' By the end of the unit, children should be able explain the place of Incarnation and Messiah within the 'big story' of the Bible. They will make connections between biblical texts, Incarnation and Messiah, using theological terms.

Music

In Music lessons the children will complete a six-week unit of work called Classroom Jazz that builds on previous learning.

Geography

Our geography theme this term is 'How and why have settlements changed?'. This unit looks at Know what we mean by the term settlement in geography. Children will investigate how settlements have evolved over the years and what the main human and physical reasons are for settlement changes. They will use old and new maps to check on changes to settlements.

Design Technology

During Design Technology lessons, children will be learning about seasonal foods and using their understanding to create a seasonal food tart during out unit 'Cooking and Nutrition: Eating Seasonally'.

PE

In PE lessons, this term children will be swimming and will be participating in gymnastic lessons with Education Enterprise (Jess).

MFL

In MFL children will be completing the unit named 'Welcome to School', where they will learn greetings, classroom demands, numbers, days of the month and classroom objects.
